

A Separate Peace
Due Date: 1/15/2016

Essay Assignment
Honors & CPA

Directions: Using the idea that you traced while you read *A Separate Peace*, please compose a literary analysis. As usual, make sure you stay focused on one aspect of the text and try not to lapse into summarizing. Make sure you include quotes or paraphrased passages and cite them parenthetically. Also, make sure you **sandwich your quotes**—introduce them and talk about them! You will have some time to plan/write this in class. I’ve included the planning sheet we have used in the past so you can be sure to include a thesis and topic sentences that support it. Have fun! **Honors: 2.5-3 page minimum length CPA: 1.5-2 page minimum length .**

Here’s the planning template that **you need to complete**. You may add more topic sentences as needed.

Thesis Statement: (locate at end of intro)
